Wojciech Lumer - designer

Design is how it works.

I design identities, websites and digital products - from idea to launch. I run loom.studio.

01 teraz marketplace

02 loom.studio studio

03 reh.ab pitch deck

teraz - marketplace of experts for the creative industry

view project ↗

teraz

A marketplace platform connecting listeners with experts, plus a community section.

Scope

product design

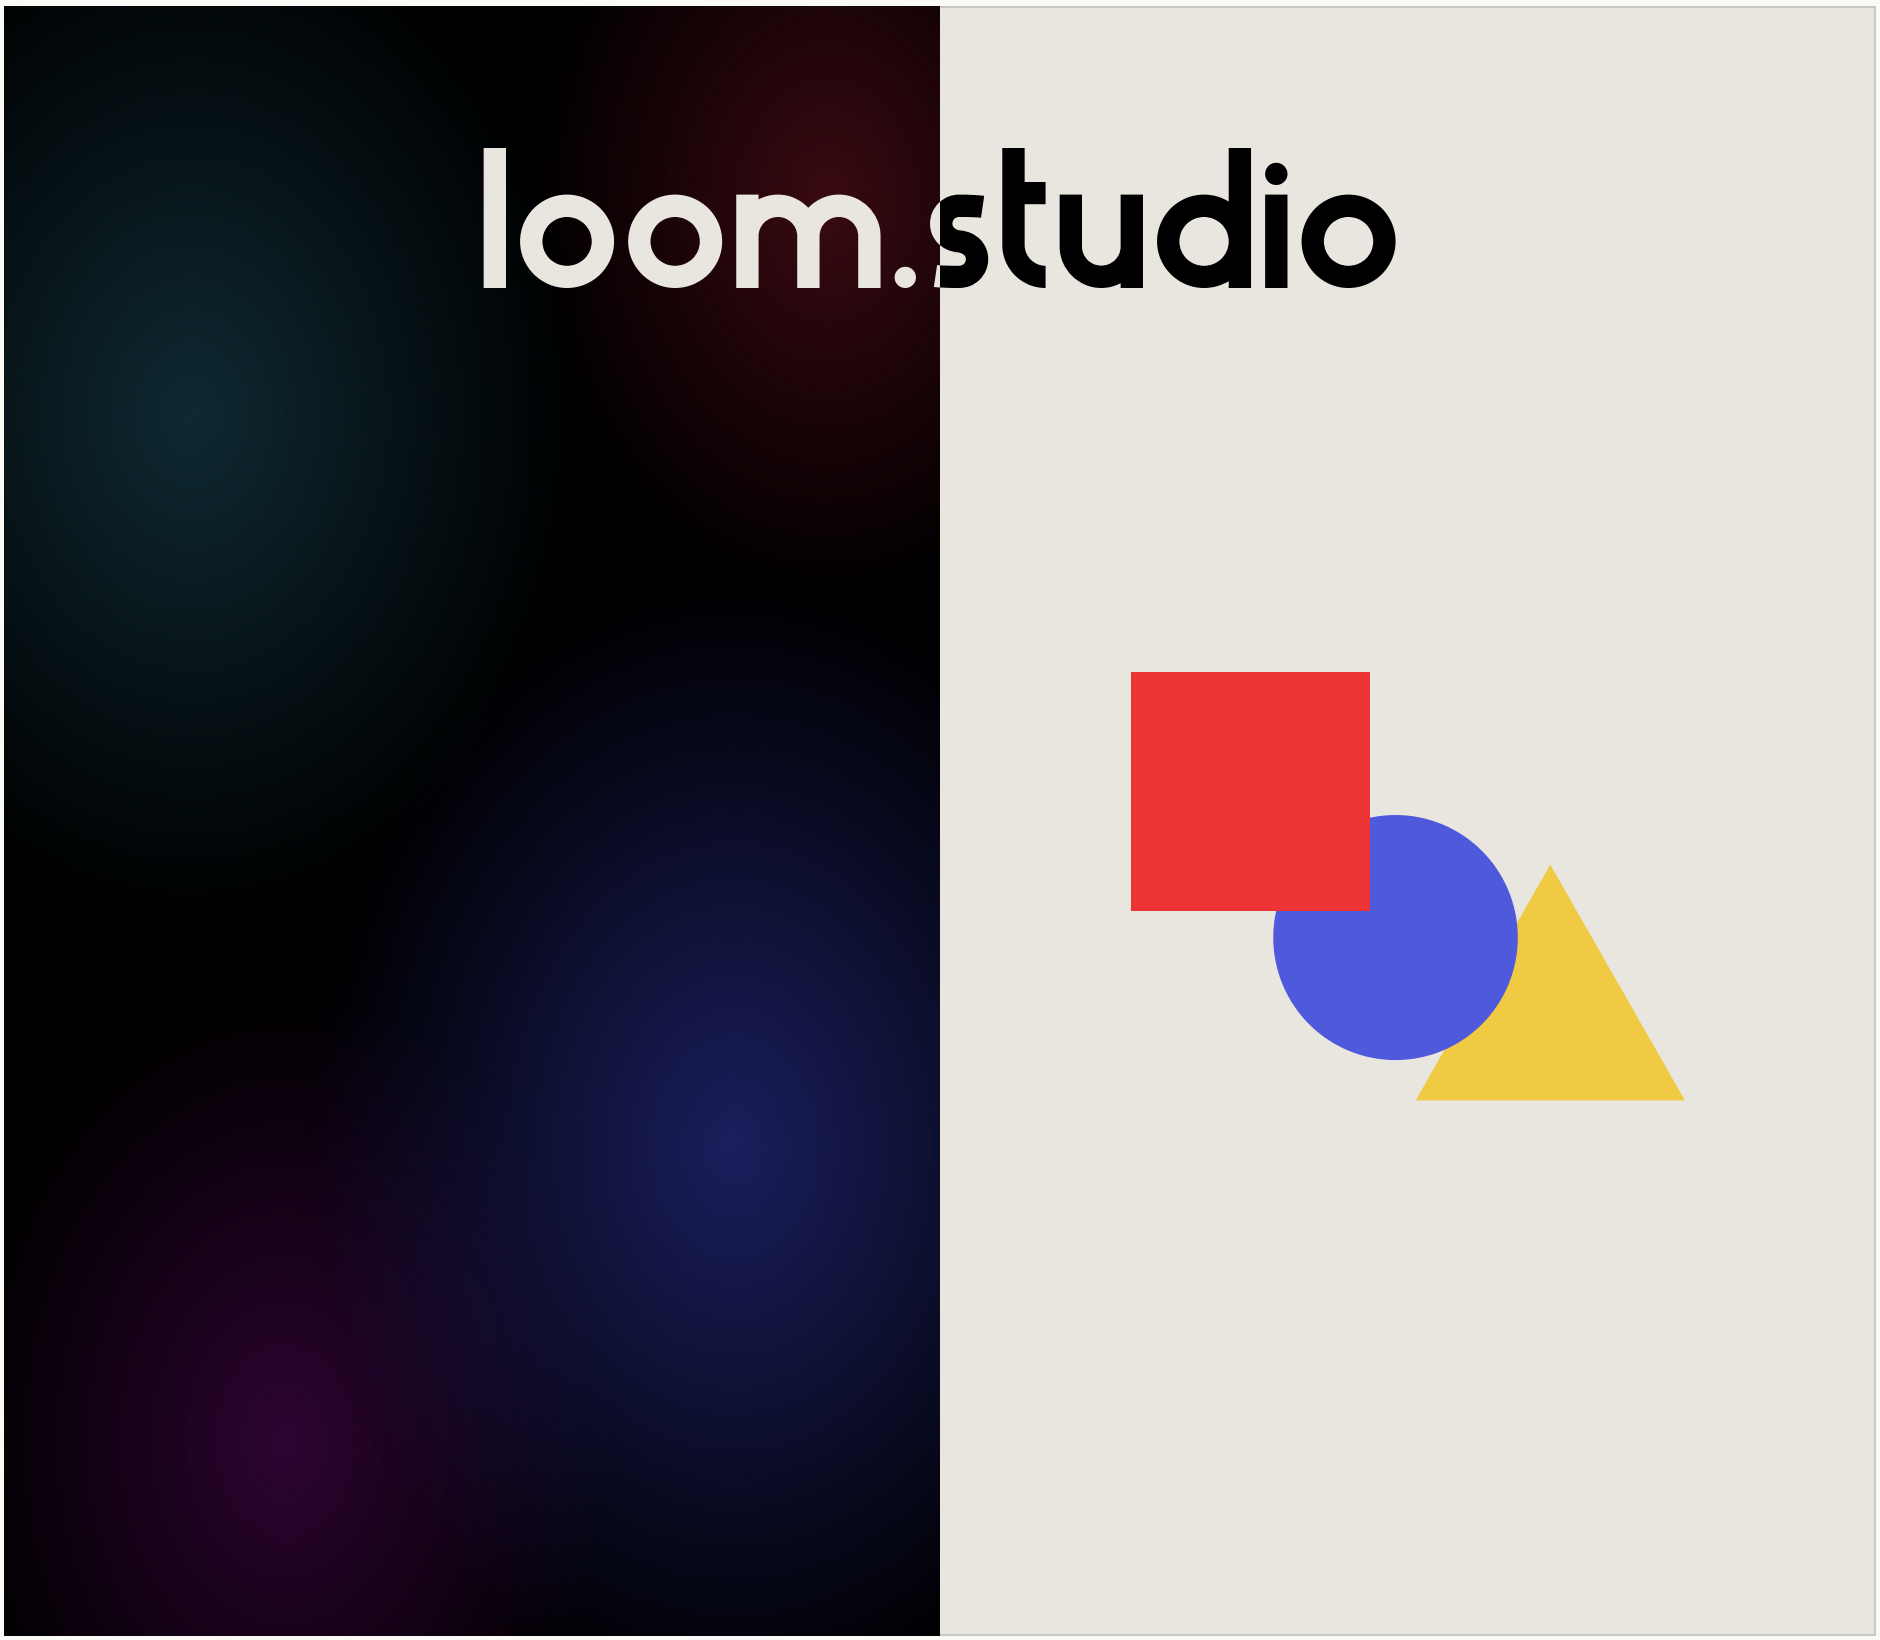

UX/UI

identity

AI-assisted development

In short

- 1:1 video calls, 30 or 60 minutes
- experts with 5+ years of practice
- free account, payment via Escrow
- 0% commission in beta

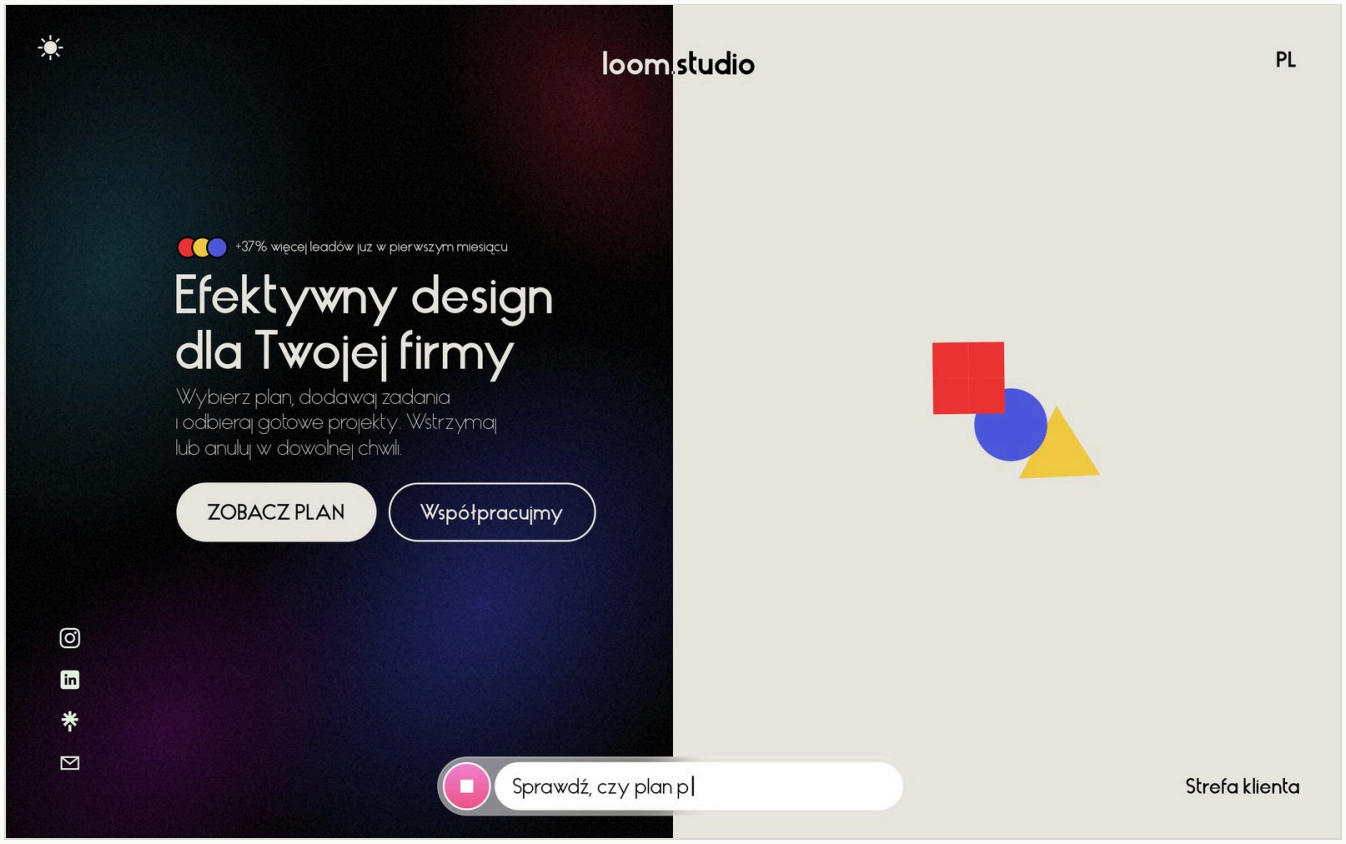

loom.studio - subscription-based design studio

site coming soon

loom.studio

A studio website and a subscription design studio: a fixed monthly fee for design work.

Scope

founder

identity

website design in Figma

build

In short

- subscription: one task at a time, 48 hours on average
- Stripe payments and client portal
- calls booked through Calendly
- AI assistant on the site, PL and EN versions

reh.ab

Make an impact together.

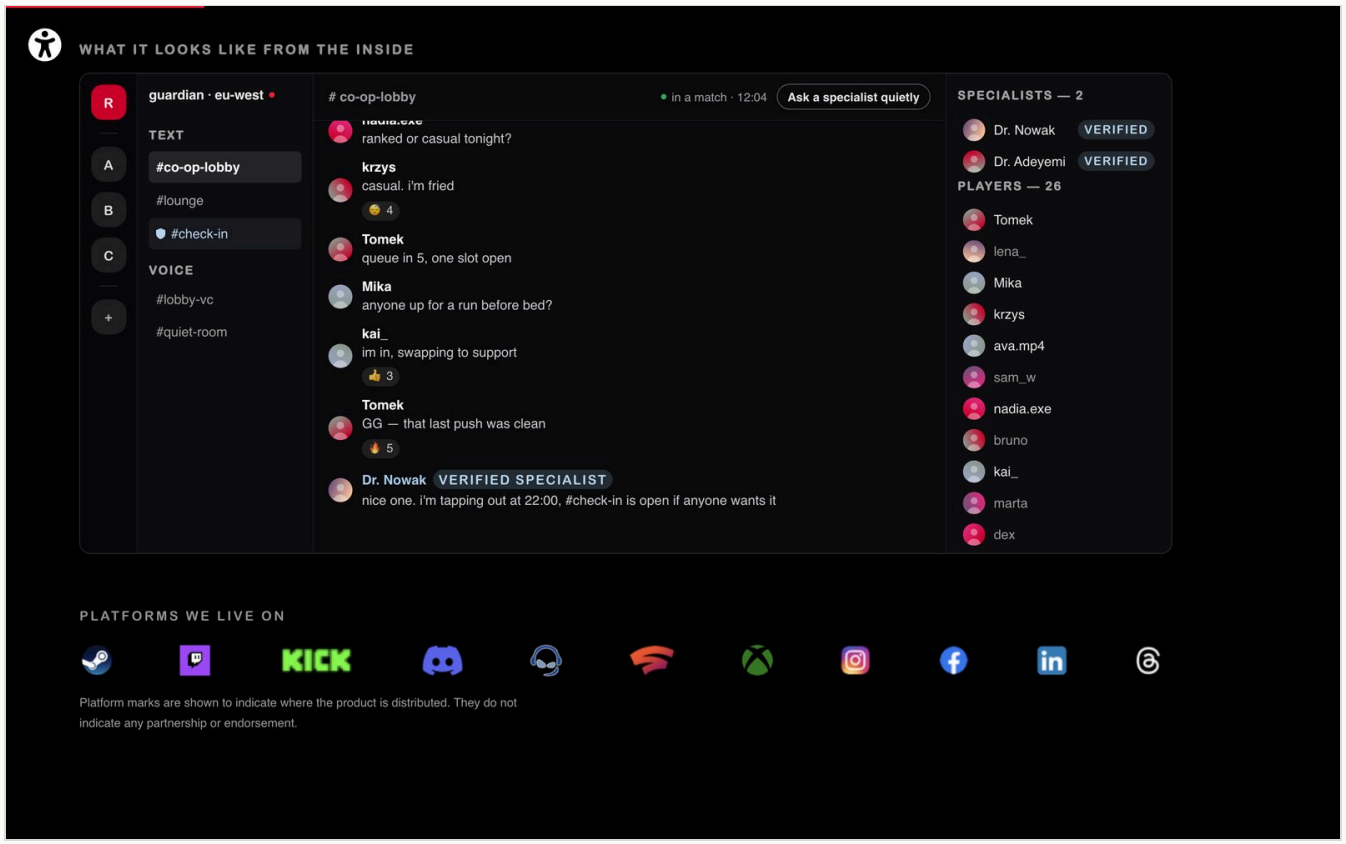

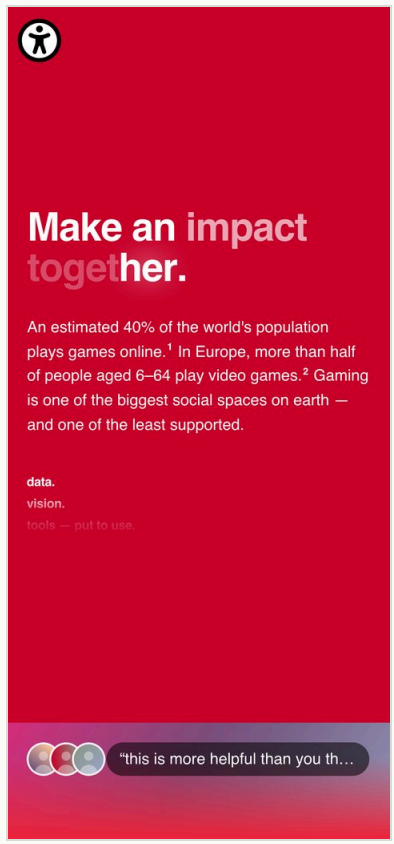

reh.ab - pitch deck for a platform connecting gaming and mental health

view project ↗

reh.ab

A pitch-deck website for a platform concept connecting gaming and mental health.

Scope

concept

narrative

design

development

In short

- mental-health support where players already are
- servers with a psychologist or psychiatrist who plays
- a 12-week pilot with 4 success measures
- WCAG 2.2 AA, every number sourced

Let’s talk.
